

Silicone Sealant Remover 400 ml (P301)

This spray works perfectly with fresh silicone and with hardened silicone. It removes silicone and its residuals without ruining the surface. This is another amazing product included in the Ambro-Sol "Cleaning" line.

SILICONE SEALANT REMOVER – Mix of solvents, designed to remove excess silicone or silicone scraps. The product acts more quickly in the presence of fresh silicone than it does in the presence of hardened silicone. When large amounts of silicone need to be removed, begin by removing as much silicone as possible. Afterwards, apply the solvent. It does not corrode or tarnish any surface. **Do not use on fiberglass surfaces**

Technical Specifications:

Barcode	EAN: 8034108890319
Quantity	400 ml
Box / Case	12 Pz.
Aspect	Tin-Plate can containing under pressure fluid
Color	Light white
Odour	Characteristic of solvent
Relative density	at 20°C 0,69 ÷ 0,73 g/ml
Flash point	Und. 0° C extremely flammable
Pressure at 20°C	4/6 bar
Water solubility	insoluble
Solvent solubility	Total
Viscosity at 100°C	3,8 cSt (dry residue)
Melting point	52-62°C (dry residue)
Penetration test	<= 30 dmm (25°C) (dry residue)
Observations	Product with gel technology, it doesn't drip.

HOW TO USE: On Fresh silicone: Shake well before use and spray on the surface from a distance of about 15 cm, leave to act for a few minutes and then clean with a cloth or scrapping tool.

Hardened silicone: Scrape the biggest section carefully with a blade or putty knife. Shake well before use and spray the surface from a distance of about 15 cm and leave the product to act for a few minutes. Remove with a rag or scrapping tool Repeat the operation if necessary.

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under 0°C and over 45°C, after the use, keep containers closed. In the original package, the product can be conserved for 24 months (warranty). The product doesn't expire.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.
