

XT-10 (S159) 10 functions in 1 400 ml

UNLOCKING: One of best Ambro-Sol products, the XT-10 is a multipurpose lubricant with a strong unlocking power! Never be without XT-10, at home or in the shop.

PROTECTIVE: This product protects surfaces and materials from atmospheric agents, bad weather, dust and rust: thanks to XT-10 that won't be a problem. This Ambro-Sol spray has a strong protective power, and it's ideal for all surfaces and situations.

LUBRICANT: This Ambro-Sol spray has a strong lubricant power, and it's ideal for maintenance and lubrication of all surfaces and for all types of uses, at home and at work. A can't miss product to keep in the garage!

PENETRATE: With Ambro-Sol XT-10 you have the guarantee of a strong penetrating spray. XT-10 spray acts on all types of surfaces, and it resolves the problem at the origin.

DEGREASE: Do you need a functional product with a strong degreasing power? Then the Ambro-Sol XT-10, multipurpose spray, is for you!

HIGH TEMPERATURE RESISTANT: XT-10 doesn't fear rivals, in particular with high temperature: this amazing multipurpose spray has a great advantage, it resists with very hot temperatures, and for that it's perfect to be used in welding sector, and in mechanical and electric sectors.

ANTI CORROSIVE: Are your materials under a corrosion process? Ambro-Sol has the solution for you! The XT-10 spray has a strong anti-corrosive power. Try it!!

WATER-REPELLENT: This product acts with water! The Ambro-Sol XT-10 makes surfaces, applications and materials protected from water and from atmospheric conditions.

ANTI-SCUFF: XT-10 has a strong anti-seize power, and it's ideal for all type of materials: it unblocks immediately every application. The Ambro-Sol XT-10 is ideal for professional use and also for domestic use.

SOLVENT POWER: Rust is the enemy of everyone. But with the XT-10 the fight it is simple and easy: this amazing multipurpose spray has a strong solvent power, and it allows it to dissolve dust but also other materials as silicone, glue, adhesives, paints...

XT-10 (S159) 10 functions in 1 400 ml

XT-10 functions with a 360° dispensing valve: a Multi-Purpose Lubricant with 10 powerful functions - **unlocking, protective, lubricating, penetrating, degreasing, high temperature resistant, anti-corrosion, waterproofing, anti-scuff, great solvent power** (it dissolves rust). Created with active ingredients of the highest quality, it has an ultra lubricant power, ultra penetrating degreaser and is perfectly suited for the workshop, at home, in the garden, in the nautical industry, industrial, sporting goods or anywhere there is a mechanism that requires maintenance.

CERTIFIED :

Test N° 14LA05748

Technical Specifications:

Quantity	400 ml
Barcode	EAN 13: 8034108893716
Box / Case	12 pz
Aspect	Aerosol containing under pressure fluid
Color	Light brown
Odour	Characteristic of solvent
Relative Density	at 20°C 0,76 ÷ 0,80 g/ml
Flash Point	Und. 0° C extremely flammable
Pressure at 20°C	3/5 bar
Vapor tension	0,5 hPa at 20°C
Viscosity	< 8 mm ² /s at 40°C
Solubility	Insoluble in water
Operating temperature	-60 ° C - +250 ° C (peaks of + 300 ° C)

ASTM D 2783-03		
Test / Method	Un.measure	Result
Speed	laps/min	1760
Time of test	s	10
Engage load	kgf	50
Weld load	kgf	160
Load load / wear	kgf	30

ASTM D 4172-94		
Test / Method	Un.measure	Result
Speed	laps/min	1200
Time of test	min	60
Load / Charge	kgf	40
Temperature room	/	/
Diam. Medium Wear track	mm	0,86

Dual Action Straw

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under 0°C and over 45°C, after the use, keep containers closed. In the original package, the product can be conserved for 24 months (warranty). The product doesn't expire.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.

This information, even if reliable, must be considered only approximate. We are not responsible for the wrong use of the product, or the violation of any license. Before using, the users should verify the suitability of the product for its specific use.

BEFORE USE, CONSULT THE SAFETY DATA SHEET OF THE PRODUCT
